

ADDENDUM

Project: Bldg. 5 ADA Ramp

Project No.: 506-7251

Addendum No.: 1

Project Address: 1455 S. 1700 E., SLC, UT 84108

Date: June 14, 2019

Owner: Corporation of the Presiding Bishop of The Church of Jesus Christ of Latter-day Saints, a Utah corporation sole

From (Architect): Trio Design Inc.

Instructions to Prospective Bidders:

This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents and/or prior Addenda as noted below. All conditions, requirements, materials and workmanship are to be as described in the Contract Documents unless specifically stated otherwise. This Addendum consists of 1 page.

1. Changes to prior Addenda:
 - a. None
2. Changes to Bidding Requirements:
 - a. Disregard the bid alternate #1 found on the bid form. There isn't a modular concrete retaining wall associated with this project.
3. Changes to Conditions of the Contract:
 - a. None
4. Changes to Specifications:
 - a. None
5. Changes to Drawings:
 - a. Existing light pole to remain in place. Remove existing concrete apron during demolition phase. Provide new concrete apron after installation of new concrete sidewalk.
 - b. New handrails at stairs and ramp are to be powder coated white with anti-skateboarding nubs at 4'-0" O.C. Handrails do not need to be stainless steel as shown on drawings.
 - c. Install new handicap signposts with 1'-0" of clearance from top back of sidewalk.
 - d. Parking lot striping is no longer a part of the project.
 - e. Lightly sand and repaint (to match) front entryway woodwork.
 - f. Existing top concrete step to remain. Remove existing coating.
